

## **COVID-19: Partner Guidance**

### **Guidance for Schools and Parents**

We are proceeding as planned with all placements and trips but continue to monitor the situation closely. No universities have cancelled trips as yet. We will follow any changes to government guidance and are preparing alternative delivery mechanisms if required.

We will notify you immediately if any tutors or staff who are working with you from The Brilliant Club need to self-isolate or are diagnosed with the virus. As a precaution, we have contacted all our staff and tutors to instruct them to follow the necessary health and safety protocols and to let us know if they are at risk of contracting the virus.

Please inform your Programme Officer straight away if any staff or pupils in your school contract the virus. If you have any other concerns or questions, please contact your Programme Officer in the first instance (alternatively email [operations@thebrilliantclub.org](mailto:operations@thebrilliantclub.org)).
