

Brilliant Tutoring Programme 2021-22

The Brilliant Club is an approved National Tutoring Programme provider through our new Brilliant Club Tutoring Programme.

We are looking for enthusiastic PhD researchers to support this national effort, tutoring pupils on key curriculum content to help them access the future they deserve.

To be a tutor with us, you must:

- Be a PhD researcher or hold a doctorate
- Have a subject specialism that would allow you to teach **English, Maths, Biology, Chemistry** or **Physics** (if your research is outside of these key curriculum areas you need a relevant undergraduate degree)
- Commit to **30 hours of teaching** over a term or half term
- Provide pupils with **written feedback**
- Complete **Brilliant Club training**

Opportunity for PhD researchers and Post Doc Researchers

Researcher development benefits

Tutors working with us will develop Vitae compatible competencies.

They will:

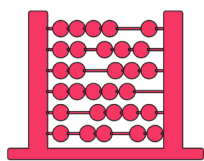

- Gain **valuable teaching** and **public engagement** experience
- Receive **expert training** and support
- Support pupils from **underrepresented backgrounds** to have improved life chances
- Earn **£500** per placement
- Teach small groups of **3 pupils at a time**, online

A recent survey of researchers showed **85%** of tutors reporting that **“working as a tutor has boosted their employability skills”** and **96%** agreeing or strongly agreeing that their latest placement **“provided me with a meaningful opportunity for public engagement.”**

Course subjects

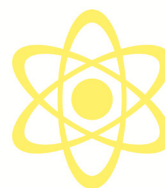

English

Maths

Biology

Physics

Chemistry

Key stage 3 and 4

Key stage 4 only
