

CLEVELAND ROAD PRIMARY SCHOOL

Ilford, Essex

Lead Teacher:
Lisa Riches

Role: Assistant Head

WHY DO YOU RUN THE PROGRAMME AT YOUR SCHOOL?

To promote independence and to encourage pupils' aspirations. Also to show pupils that, if they work hard enough, they can attend a top university.

HOW DID YOU CHOOSE WHICH PUPILS TOOK PART?

The selection process was based on Maths and Science attainment, as well as pupils who have a good work ethic and homework achievement.

WAS THE IMPACT REPORT USEFUL?

The impact report was good to share with governors, particularly comparing pupils entitled to Pupil Premium and pupils who are not.

WHAT OUTCOMES HAVE YOU SEEN FOR THE PUPILS TAKING PART IN THE PROGRAMME?

Pupils learnt facts that they wouldn't usually have and new information regarding the different jobs involved in the world of engineering. They also acquired specific research skills, which they will use in Secondary School.

.....

"I loved every moment of it because I got to learn so many new things."

Pupil from Cleveland Road Primary School on a trip to LSE

"I think this is an excellent idea at a young age and can help children focus on the future."

Parent from Cleveland Road Primary School on a trip to LSE
