

Experience Experts Panel

Have you completed one of our programmes? We want you to join our Brilliant Club community and shape what we do.

This is an opportunity for you to:

- **Use your voice** and experience to **influence and improve our programmes**, through which we'll be working with 100,000 students over the next five years.
- **Develop your teamwork, leadership and communication skills** by collaborating with staff to find creative solutions to challenging problems.
- Be part of The **Brilliant Club alumni community**, which brings opportunity for training, work experience and other networking events.

“I have found my experience so far really eye-opening. I have been inspired to help minority students reach their potential and TBC is allowing me to do this. I've also thoroughly enjoyed meeting fellow alumni; I've learnt so much from their own experiences and made great connections!”

Aakshi Dhoopnarain, Brilliant Club ambassador

We know that our programmes make a difference to young people progressing to the most competitive universities. However, we want your help to make them even better!

As an Experience Expert, you will:

- Prepare for four panel meetings per year (both online and face-to-face), shaping a new aspect of The Brilliant Club's work at each one.
- Collaborate with our young Trustee and chair of the panel, Hannah Chukwu, gaining experience of exciting board-level work.
- Take part in additional training and development opportunities

Please note that this is a voluntary position, but we will cover all travel and expense costs.

What are we looking for?

- Eight Scholars Programme, Uni Pathways or Brilliant Tutoring Programme graduates who are keen to use their experience to support students from less advantaged backgrounds accessing the most competitive universities and succeeding when they get there.
- A commitment to preparing for and participating in a minimum of four panel meetings in 2022
