

## Proof of Right to Work - Acceptable Documentation

To undertake work with The Scholars Programme you are required to provide proof of your Right to Work in the UK as detailed in the amendment to the Immigration, Asylum, and Nationality Act 2006.

The two lists below detail the documents you will need to provide at your Assessment Centre. You must bring the **original documents** from either List A, List B or provide us with a share code for us to verify your immigration status using the UKVI Online Right to Work Service. If you are unable to provide these documents we will not be able to offer you placements on The Scholars Programme.

Where a right to work check has been conducted using the online right to work checking service, the information is provided in real-time directly from Home Office systems and there is no requirement to check any of the documents listed below.
